Re: Project Funding Agreement for the Norton High School Project

Dear Mr. Yunits:

Enclosed for your records, please find an original, fully-executed Project Funding Agreement for the Norton High School Project.

Attached for your convenience, please find instructions for entering project budgets in the MSBA ProPay System, the Project Funding Agreement Budget Revision Request Form and a Total Project Budget form with cost codes included. An email with these documents has also been sent to you.

Please note the MSBA will not process reimbursement requests until the District has entered the budget and the budget has been accepted by the MSBA.

Please feel free to contact me if you have any questions. Thank you.

Regards,

Carolyn Walsh
